

Confirmation Pillars

Besides attending the Confirmation Classes and submitting Confirmation required documents you ***MUST*** participate in each pillar at least once. These are meant to introduce you to different things within our church and different ways to stay invested during and after this Confirmation process. These Pillars are:

Retreat: Two retreats are offered for the confirmation class. You need to attend one but can attend both if you want.

- John Bosco Youth Day on October 6/2018
- Confirmation Overnight Retreat (COR): Will be at Bishop Lane in January, 2019

Target: Youth lead youth group that meets every Monday night from 7-9pm in Room 1 of the Ministry Center. Target stands for Teens Accepting Real God Experiences Together. During Target you will learn about our Catholic Faith and experience and share moments encountering Christ.

Event: These activities are to help build community and providing a fun environment. Every month there are different opportunities to participate. More information for these will be given out during every Confirmation classes.

Service: We are called to go out into this world and serve God's children. Some of these events in the past have included Feed My Starving Children -FMSC (packaging food for Third World Countries), Sundays at Sunrise (Playing games with the residents at Sunrise Living Facility) or Caroling at Christmas (Singing Christmas carols at the local hospitals). More information for these will be given out during every Confirmation classes.

***Friends are always welcomed to participate in any of those**
